Friday 17th November 2023

Dear Parent/Guardian

We will be teaching RSHE (Relationship, Sex, and Health Education) lessons in class during the week commencing Monday 20th November 2023.

As from September 2020 RSHE is statutory element of the curriculum in all schools in England. In school we have adopted the spiral curriculum recommend by ESCC which allows children to access age appropriate material which prepares them well for the next stage and ensures that our children remain happy, healthy, confident and safe.

We will be focusing on the following unit with the Year 2 children during their RSHE day.

Pupils can recognise how they grow and will change as they become older.

If you would like to know more information about our programme of relationships and sex education, please familiarise yourself with the RSHE policy which can be found on our school website.

Please do feel free to contact me at any time if you would like to discuss our programme of RSHE or view the lesson materials in advance of the lesson.

Best Wishes,

Miss Brewster
